

# TINLEY PARK BOBCATS CANDY SALE FUNDRAISER

*Earn gift certificate to Target or money off your next registration and help your organization by selling more than your minimum of one case.*

We are selling variety packs consisting of World's Finest Chocolate Caramel, Crisp, Almond and Milk Chocolate bars.

**If you are interested in selling more than the one case to earn a prize, you may obtain additional cases contact [tinleyparkbobcats@gmail.com](mailto:tinleyparkbobcats@gmail.com).**

In order to earn a prize, a player needs to sell more than one case, however, a prize can be earned for the total number of cases sold. A family can combine cases among all selling players to earn a prize if, as a family, they sell more than the required number of cases. Different sports may be combined to earn a prize, again, if the total number of cases is more than the required number for that family (1 case per child up to 3 cases per family is required). See the reverse side for prize options and for making your prize selection.

**If you wish to pick up any additional cases, you will be responsible for selling them. We will not take any cases back.** You will be asked to leave a check for the amount of the extra cases taken, but the check will not be cashed until after the sale is over.

**The payment for your first case of candy must be turned in to each player's individual Team Parent no later than the due date.** Make check or money orders out to "TINLEY PARK BOBCATS" and include the player's name, division, team and your phone number on it.

This is our biggest fundraiser and it will only be successful if we have everyone's full cooperation. If you have any questions, please feel free to ask your Team Parent or contact me as indicated below.

Prizes are listed on the attached document.

## Additional Candy Sale Prize Sheet

PLAYER NAME: \_\_\_\_\_

ONE CASE OF CANDY = VARIETY CASE = \$60.00
